4-H IS FUN FOR EVERYONE

What is 4-H

4-H is the largest out-of-school youth development organization in the state and nation. The organization provides educational opportunities for youth to build life skills, including decision making, communication, leadership, sportsmanship, and responsibility through service learning, club work, and hands-on projects. 4-H has the ability to give youth confidence in themselves and opens the door for many opportunities. Projects allow youth to work in specific areas including Aerospace, Swine, Woodworking, and Robotics, just to name a few. 4-H involves the entire family and offers something for everyone.

Who can Join?

4-H is for everyone! People of all ages can get involved. 4-H members are 8-18 years old. The Cloverbud program is for youth 5-8 years old. 4-H age is determined by October 1. 4-H also utilizes many Volunteers

Can adults get involved?

Absolutely! Volunteers are the heart of the 4-H program. The program is made possible through their dedication to youth. Adults can join to support the program through project work, clubs, activities or events. Adult volunteers serve as a guide and mentor by teaching youth practical life skills. Volunteers working with youth have completed a background check.

What is a 4-H Club?

Once you decide to be involved in 4-H, it's time to find a club that is the best fit for you. A 4-H club is a group of members from a variety of ages and backgrounds who come together to plan club activities for projects, community service, recreation and learning. See back of this flyer for a list of local clubs.

What is a 4-H Project?

After you select a club, you will also select projects to be involved in. There are a lot of different projects to choose from including photography, leathercraft, poultry, and much more. Each project allows youth to explore through hands-on learning and youth-adult partnerships. 4-H members have an opportunity to showcase their project, typically at the County Fair. See back of this flyer for list of projects.

What else can I do in 4-H

The possibilities are endless in 4-H. Opportunities include 4-H Camp, Montana 4-H Congress, Rec Lab, State Horse Show, Citizenship Seminar, international opportunities, exploring our nation's capital, and the list goes on. You can serve as a teen leader, travel all over the US and have unforgettable experiences, making lifelong friends.

Get Involved in your Community

A large part of 4-H is Community involvement. You can help beautify our parks and roadways, make a senior citizens day special, or volunteer at the food bank. You can make something special for the County Fair.

4-H Pledge

I Pledge...
My head to clearer thinking,
My heart to greater loyalty,
My hand to larger service,
My health to better living, for my club,
my community, my country and my world.
