

Vaccination Reminder for the health of your horse!

Carbon County 4-H Horse Program **requires** all project horses to be up-to-date on the 4-way vaccination by May 16th which includes the following:

- Eastern and Western Encephalitis (Sleeping Sickness)
- Influenza
- Tetanus

We also encourage horses to be up-to-date on West Nile Virus vaccination and worming.

Reminder that proof of vaccination and health check is required for the Carbon County Fair. Please send in proof of vaccination with your Horse ID's.

Please review the premium book for other important changes including the following:

- **Last vet out day is June 15th.**
- **Changes in Assessment, Level, or Horse will be due June 15th.**
