

**BECOME A PLT GreenSchool!**

# Project Learning Tree – GreenSchools for Early Childhood Educator Workshop

3 OPI units  
Early Childhood credits pending approval

**When:** June 17, 2017  
Saturday 9:00am – 1:00pm

**Where:** University of Montana College of  
Forestry Building, Room 106

Project Learning Tree's GreenSchools program inspires students to apply their STEM and investigative skills to create greener and healthier schools – and save schools money.

## Workshop Highlights:

- GreenSchool grant opportunities.
- Engage and teach about the environment.
- Tips on starting a student-driven GreenSchools program, how to obtain equipment and collect data, and ways to empower your students to design and lead an action project that uses their STEM skills.
- Receive a GreenSchools Investigation guide.

**Cost: \$15**

**Contact and Registration:**  
online or by mail with payment
