

Tensions About Family Business

Please indicate the level of tension that each issue generates in your home life, using a scale from 1 to 5 where 1 means no tension and 5 means a great deal of tension – see below:

1 = No tension at all

2 = Low level of tension

3 = Moderate level of tension

4 = Serious level of tension

5 = Great deal of tension

1. Confusion among family members over who does what in the business.
2. Confusion over who has authority to make decisions.
3. Unequal ownership of the business by family members.
4. Unfair compensation for family members.
5. Failure to resolve business conflicts.
6. Unfair workloads among family members due to the business.
7. Competition for resources between family and business.
