<b>Teen Leadership</b>				
<b>Vet Science</b>	Need Leader(s)			

The 4-H member is more important than the project – in 4-H we learn by doing and we have fun while we're at it. All **leaders are volunteers** who are interested in our children's development – they teach 4-H members how to think, not what to think. Competition is a part of life but no award is worth sacrificing the reputation of a 4-H member or leader – a blue ribbon 4-Her with a red ribbon exhibit is more desirable than the other way around. Every 4-H member needs to be noticed, to feel important, to achieve some degree of success and to be praised.

**WE ARE IN NEED OF VOLUNTEER LEADERS.** If you or someone you know may have some talent or interest in one of our projects, contact the 4-H office. If you could spare a few hours monthly, bi-monthly, quarterly or just a couple times yearly, call us at 582-3280 and we'll show you how to get started.
