PROJECTS: Please fill in your project level for current year. *If you received a blue ribbon or higher in your levels class (as listed below) at the fair last year, you can advance to the next level without assessing. If you received a red ribbon or lower, you must be assessed by the Horse Assessment Committee prior to **June 1, 2015** in order to compete at a higher level at the fair, otherwise you may repeat the level. First year members are required to be assessed if competing in Level 2 or higher at the fair. Members competing with a different horse than used at the fair last year do not have to be assessed if they received a blue ribbon or higher. Remember, the assessment is on the rider, not the horse.*
