

2015 NRA National Junior Indoor Sectional Championships NRA Open Championships

Hello families,

It is time for the NRA National Junior Indoor Rifle Championship Match for 2015.

The match will be held on **February 21 & 22, 2015** as a sanctioned NRA Match. The match will be at our new facility 8 miles North of Belgrade, MT, 8977 Dry Creek Road, Belgrade MT. The doors will open by 8:30 am on both Saturday and Sunday. NRA rules will apply to all matches. The Orion Scoring System has been approved for the matches. There is paperwork to fill out for each of the matches the kids choose to shoot so arriving early is beneficial.

There are five matches available; Precision 3P, Precision Standing, Sporter 3P, Sporter Standing and BB Gun 4P. The kids may shoot precision, sporter and bb gun if they like. The match is a 3x20 for 3P rifle, 4x10 for bb gun and a 40 shot standing match for rifle. We will also give awards for top prone, standing and kneeling in the 3P & 4P matches. We will have a 10 am relay and a Noon relay on both Saturday and Sunday. If those fill up we will offer a later relay as needed. If the relays do not fill up I will combine relays to fill them up. Shooters must be born in 1995 or later to qualify for the Air Rifle matches. Shooters must be born in 2000 or later to qualify for the BB Gun match. There will be Jr, Intermediate Jr and Sub Jr categories. Teams may be put together for each match. Teams need to be made up of 4 shooters from the same club, teams must be declared on the paperwork prior to the match starting and each shooter can only be on one team per match.

We are also offering a separate match this weekend, the NRA Open. This match is open to all Junior shooters, Adult shooters and Para athletes for Rifle 3P and Pistol. The match is a 3x20 for rifle and 60 shots for pistol. For any rifle shooter we are able to use your 3P targets for the sectional and the open. This match qualifies individuals and teams for the NRA Nationals in Albuquerque NM over Memorial Weekend. This match will cost \$20 per junior shooter, \$40 per adult shooter and \$5 per team member. Yes, this is on top of the sectional fees. Both matches have to be paid to the NRA even if we only use one set of targets.

The cost of the sectional match will be \$15 per shooter per match and \$2 per shooter per match for shooters on a team. Jr shooters will also need to be members of the MT Rifle and Pistol Association. We will have forms at the match; it is \$5 per junior shooter. For the shooters who have an NRA number or a classification number please bring it with you to put on your paperwork.

Please email with the shooters name, which matches they will shoot, precision, sporter or bb gun and which relay you would prefer. All BB Gun entries will be on the same relay because of the distance difference with air rifle, they will shoot on Saturday. Relays will be filled by first come first serve basis. If you have any questions please call Lee 579-0612.

Thanks so much! We look forward to seeing as many of you as possible! Match programs are attached.
