TRAVEL PERMITS:

All members crossing county lines, be sure to get proper permits for your livestock!

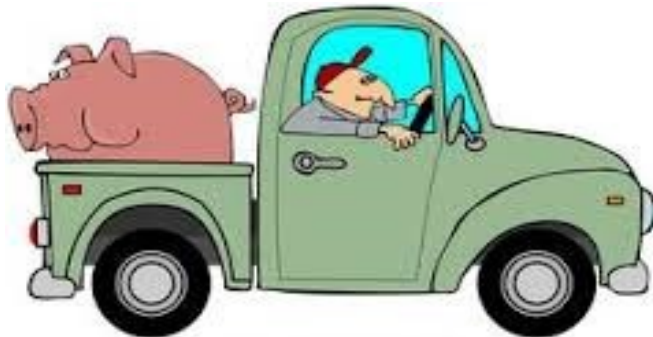

~ NOTICE TO ALL LIVESTOCK OWNERS ~

Livestock Haulers Needed

We will need parents with livestock trailers to haul the market livestock following the fair.

Please contact the Extension Office if you can haul livestock this year.

Livestock Notes

After all your months of preparation, Fair time is finally here! As you get ready for the fair, here are a few reminders:

Weigh-in for market projects is Thursday from 6:00-8:00 p.m. Don't forget about your bill of sale and travel permit.

You can get your stall assignment on Thursday from Livestock Superintendents Janet Haughian or Brian Morast.

Are you planning on camping at the Fairgrounds during the fair?

Just a reminder that all youth camping at the Fairgrounds must have an adult chaperone stay at the Fairgrounds with them. There is limited electricity at the Fairgrounds so plan to bring a generator if you have that need.

Remember that as you get your animals ready for showing, only 4-H members (not parents) are permitted to care for or fit their animals for show.

It is the responsibility of all livestock exhibitors to keep their stalls, the alley, the barn, and the wash area clean throughout the Fair.

We will be ultra sounding market beef and lambs on Saturday at 2:00 pm.

Don't forget to personally thank your livestock buyer after the sale on Saturday. Also remember to thank those that you invited but may not have been able to purchase your animal. They may have bid on your animal even though they didn't buy it in the end.

On Sunday afternoon, all livestock exhibitors need to help clean up the barn. No one will be dismissed until all the stalls and extra straw are cleaned up. This job is much easier if everyone pitches in and does their part.

Everyone in livestock projects are considered for the Herdsmanship Award. Following are the guidelines for this contest:

Herdsmanship Contest Guidelines

Livestock exhibitors will be responsible for the appearance, condition, and cleanliness of the stalls and barns assigned to them.

Only 4-H members are permitted to care for or fit for show animals on exhibit.

Every 4-H member exhibiting animals in the barn is automatically entered in the herdsman-ship contest. An award will be presented to the individual who displays the best herdsman-ship.

Considerations for the award:

4-H member keeps stalls, cages, and the alley in front of the exhibitor's pen kept clean and orderly during the entire fair and cleaned following the removal of animals at the end of the fair.

4-H member feeds and properly cares for animals throughout the fair.

4-H member is courteous and polite to fellow 4-H members, adults, and fair visitors in the barn and elsewhere on the fairgrounds.

4-H member is neat and cleanly dressed.

4-H member stores equipment neatly.

Completed stall cards are in place.

Preparation of the exhibitor's animal(s) by 4-H member prior to showing.

This year livestock members will be given the opportunity to nominate one deserving person for the award. Nominations forms will be available in the 4-H Building on Sunday of the fair.

Finally, good luck to you all. I hope your experience with your livestock project has been rewarding. You should be proud of all you have accomplished!
